

2975 sq. ft.

3 Bedrooms / 3 Baths

The Clear Fork can be described in one word—majestic! Whether it overlooks a lake or river or expansive valley, this home offers a commanding and unobstructed view. Inside, it features the spacious, open-concept great room with exposed timber ceiling and impressive fireplace; chef-size kitchen with built-in pantry and convenient island; first-floor walk-through laundry and master bath with walk-in closet and master bath. Upstairs, there are two additional bedrooms and a bath, plus an open loft which overlooks the great room and front entry. Your family will love the step-saving convenience and breathtaking beauty of this home as much as your guests. It is truly a home you'll be proud of and one that will be the focus of memories for years to come.

A full set of blueprints of this plan is available. Artist's renderings and floor plans may differ slightly from actual blueprints.
